About us

Dr. D. Y. Patil Academic Education Excellence Federation's Dr. D. Y. Patil Technical Campus (DYPTC) was established in 2023 by Dr. Sushant Patil under the able guidance of Padmashree Dr. D. Y. Patil, former governor of Tripura, Bihar and West Bengal and a well-known educationist and philanthropist from Kolhapur, Maharashtra.

DYPTC is approved by All India Council of Technical Education (AICTE) New Delhi, recognized by Government of Maharashtra (GoM) and Affiliated to Savitribai Phule Pune University (SPPU), Pune. The institute is offering four undergraduate programs : Computer Engineering (Intake 180), Information Technology(Intake 30),Artificial Intelligence-Data Science (Intake 30), Computer Science (Intake 120) and Master of Computer Application (Intake 120).

The Institute has experienced, dedicated and highly qualified faculty members , state-of-art infrastructure and an environment conducive for learning, research and innovation.

VISION

To become a leading institution in Engineering education, fostering a culture of innovation, excellence and ethical leadership for a digitally transformed world.

Padmashree Dr. D. Y. Patil

MISSION

1. To provide high-quality engineering education, fostering critical thinking, problem-solving and creativity.
2. To promote a culture of innovation, research and development.
3. To cultivate strong partnership with industry leaders, ensuring our curriculum aligns with industry demands.
4. To engage with the community, providing technological solutions to local and global challenges.
5. To instill strong sense of ethical responsibility among students of Engineering.
6. To promote a culture of lifelong learning, encouraging students to adapt to the ever-changing technology landscape.

From Chairman's Desk...

Dear Students, Faculty, and Staff

We embark on our first exciting academic year here at Dr. D. Y. Patil Technical Campus, I am filled with a sense of pride and anticipation. Our college continues to stand as a beacon of excellence in the field of engineering education, driven by our innovation, collaboration, and academic rigor.

I am also thrilled to see your enthusiasm and dedication. Your passion for learning and your determination to make a positive impact on the world through engineering inspires us all.

As we look ahead to the challenges and opportunities that lie before us, let us reaffirm our commitment to excellence in teaching, research, and service to nation. Let us embrace collaboration and innovation as we seek to address the complex challenges facing our world today.

I encourage each and every one of you to make the most of your time here at Dr. D. Y. Patil Technical Campus, to push the boundaries of knowledge and creativity, and to seize every opportunity for growth and development.

I congratulate team of "Express Era" for your dedication, passion, and commitment. Together, we can shape the future of engineering and make a lasting impact on society. Best wishes for the newsletter.

Warm regards,

Dr.Sushant Patil
Chairman

From CEO's Desk...

Dear DYPTC Community,

As we embark on another transformative chapter at Dr.D.Y.Patil Technical Campus, I am thrilled to connect with you through our newsletter and share my thoughts on our collective journey towards excellence.

First and foremost, I want to express my deepest appreciation to each member of our community - students, faculty, and staff. Your dedication, passion, and commitment are the driving force behind our continued success. Together, we have achieved remarkable milestones and made significant strides in shaping the future of engineering education.

Our mission is not only to impart knowledge but also to instill in our students the skills and mindset necessary to thrive in an ever-evolving world. As we navigate through the challenges and opportunities of today, it is imperative that we remain steadfast in our pursuit of excellence and adaptability.

As we look ahead, let us embrace the spirit of innovation and exploration that defines DYPTC. Together, we will continue to push the boundaries of what is possible and empower the next generation of engineers and leaders to make a meaningful impact on the world.

Thank you for your unwavering support and dedication to our shared vision. I am incredibly proud to lead such a dynamic and vibrant community, and I am confident that together, we will achieve even greater heights.

Best wishes for this e-bulletin.

From Principal's Desk...

Dear Faculty and Staff

It is a matter of great pride and satisfaction for Dr.D.Y.Patil Technical Campus, varale, Talegaon to bring out the first News Letter 'Express Era' released for July-2023 to December-2023. As we all know this is the beginning of our new campus and still our college has made tremendous progress in all the areas academics and Extra Curricular activities.

A News Letter is like a mirror which reflects the clear picture of all sorts of activities undertaken by a College and develops writing skills among students in particular and teaching faculty in general. I express my deep sense of gratitude to Dr.Y.B. Gurav, HOD FE and MCA under whose guidance this Technical work has been undertaken and completed within the stipulated time. Also my heartfelt congratulations to Editors of news letter and student committee for their fruitful effort, who have played wonderful role in accomplishing the task in record time .

With Best wishes.

Dr.S.D.Shirbahadurkar
Principal

ISSUE NO 1 | JULY-DECEMBER 2023 | VOLUME 1

From Head of Department's Desk...

Dear faculty, Staff and students

I am happy to welcome you to the first volume of our college newsletter! As the Head of the Department, it gives me immense pleasure to witness our community of students and faculty coming together to celebrate our achievements, share success stories, and strengthen our internal bond. This newsletter marks the beginning of a new era of communication and collaboration within our institute and outside world. Through this platform, we aim to foster a sense of belonging and unity among all members of our college family. Whether you're a student embarking on an exciting academic journey, a faculty member conducting research, or a staff member supporting our day-to-day operations, your contributions are invaluable to our collective success.

In this newsletter, you'll find a diverse range of articles, updates, and highlights that showcase the talent, dedication, and spirit of our institute. From student spotlights to faculty achievements, from upcoming events to important announcements, there's something for everyone to enjoy and engage with. I encourage each and every one of you to actively participate in shaping the content of our future newsletters. Whether you have a story to share, an event to promote, or feedback to offer, your input is vital in making this newsletter a true reflection of our community. Together, we will continue to strive for excellence and make meaningful contributions to our departments and beyond.

Thank you for your ongoing support, and I look forward to the exciting journey ahead!

Warm regards,

From Editor's Desk...

Dear Readers,

As the editor of our newsletter, it is our pleasure to welcome you to our first edition filled with insights, updates, and inspiring stories from our vibrant academic community.

In these pages, you will find a reflection of the diversity and excellence that define Dr.D.Y.Patil Technical Campus. From ground breaking research to innovative projects and community initiatives, our students, faculty, and staff continue to push the boundaries of knowledge and make meaningful contributions to the field of engineering.

As we navigate the ever-evolving landscape of higher education, it is essential to celebrate our achievements, acknowledge our challenges, and embrace opportunities for growth and collaboration. Through this newsletter, we aim to foster communication, engagement, and a sense of belonging among all members of our community.

We encourage you to explore the articles, features, and announcements in this edition, and to share your own stories and experiences with us. Together, we can amplify the voices of our community, celebrate our success, and inspire one another to reach new heights of excellence.

Thank you for your continued support and participation in our shared journey of learning, discovery, and innovation of Express Era. We look forward to hearing from you and to sharing more stories of impact and achievement in the future.

Best regards,

Events @ DYPTC:

SALUTE TO NATION

As we commemorate the remarkable journey of our nation towards freedom, it gave us immense pleasure in celebrating Independence Day at our college. This day holds profound significance in our history, symbolizing the sacrifices and struggles of our forefathers who fought tirelessly for the freedom we cherish today.

(15/08/2023)

INDUCTION PROGRAM

The Induction Programme marked the beginning of a transformative journey, where students not only acquired knowledge but also developed essential skills, forge lifelong friendships, and embraced the values that define our institution. During this programme, students had the opportunity to familiarize themselves with our campus, meet their peers, engage with faculty members, and gain insights into the academic rigor and diverse opportunities that await them. We had meticulously curated a series of orientation sessions, workshops, and interactive activities to ensure that our newcomers feel supported, inspired, and empowered from day one.

(From 21 August 2023 to 25 August 2023)

FRESHERS' PARTY

(26 AUGUST 2023)

The Freshers' Party at DYPTC Varale, was held on August 26, 2023. It was an exciting and memorable event for the incoming students. The highlight of the evening was the presence of the actor, Sameer Dharmadhikari, as the special guest. The event was filled with enthusiasm and energy as senior students, gathered to welcome the freshers to the college. Sameer Dharmadhikari's presence added a touch of glamour and inspiration to the party. He shared his experience and insights into the world of acting, which captivated the audience and left them motivated. The Freshers' Party featured various activities, including music, dance, and games, providing a platform for students to interact, make new friends, and create lasting memories. It was a great opportunity for the incoming students to break the ice and start their college journey on a positive note.

TWO DAYS WORKSHOP ON “PYTHON PROGRAMMING”

(14/09/2023 & 15/09/2023)

It was an incredible learning experience for all students of MCA-I, and we couldn't have achieved this without the dedication and enthusiasm of all the participants. We want to extend our heartfelt thanks to our hon'ble Directors and Principal for their support and encouragement. Your passion for programming is truly commendable, and we look forward to seeing your continued growth in the world of python programming. Mr. Yogesh Murumkar -CEO Bharat Soft Solutions, Pune was the resource person for this workshop.

ENGINEERS' DAY CELEBRATION

On 15 September Engineers day was celebrated at DYPTC. Engineers Day is celebrated on September 15th every year to commemorate the birthday of Sir Mokshagundam Visvesvaraya, a renowned Indian engineer, scholar, and statesman. Engineers Day in India is an occasion to recognize the contributions of engineers to the country's progress and development. Engineers play a vital role in various sectors such as infrastructure, technology, manufacturing, and healthcare, and their efforts contribute to the nation's growth and prosperity.

(15/09/2023)

TEACHERS' DAY CELEBRATION

(05/09/2023)

On Teachers' Day, 05 September 2023 our Principal Dr.S.D.Shirbahadurkar guided all the teachers and students at DYPTC.

On October 16, 2023, a heartwarming Teachers' Day celebration took place at the prestigious Hotel Sayaji in Wakad. The event was a touching tribute to the educators who play a vital role in shaping the future of students at D.Y.Patil group of institutes. Teachers from DYPTC were honoured and appreciated for their dedication and hard work. All faculty and staff were available at the venue. The event featured heartfelt speeches, musical performances, and token of appreciation to express gratitude for their commitment to nurturing minds. It was an evening filled with appreciation and recognition, highlighting the profound impact that teachers have on lives of students and society. Our Directors Dr.Sushant Patil and Adv.Anuja Patil guided all the faculty and staff on this occasion.

(16/09/2023)

GANPATI FESTIVAL

The Ganpati festival at DYPTC commenced on September 19, 2023, and was celebrated with great enthusiasm. This five days festival was marked by various events and activities that brought the students community together. The festival reached its culmination on September 24, 2023, which was the day of Visarjan, or the immersion of Lord Ganesha's idol. Throughout the festival, devotees participated in religious ceremonies, cultural performances, and processions to honor Lord Ganesha. The atmosphere was filled with the sounds of devotional songs and the scent of incense as people prayed and sought blessings from the elephant-headed deity. On the final day, September 24, 2023, the Visarjan ceremony took place, where the beautifully decorated idol of Lord Ganesha was immersed in water bodies, symbolising his return to his heavenly abode. This emotional and colorful event was a culmination of the week-long festivities, as people bid farewell to their beloved Lord Ganesha, promising his return the following year.

(19/09/2023 to 24/09/2023)

NATIONAL POSTAL WEEK CELEBRATION

(10/10/2023)

- National Postal Week celebration at DYPTC on 10.10.2023 -Informative session on India post's role : It is celebrated from 9th to 15th October every year.
- The aim was to generate a broad awareness about India Post's role and activities among the public and media at the national level.

FIRST-EVER PARENT-TEACHER MEET

(14/10/2023)

Our first-ever Parent-Teacher Meet at DYPTC was conducted on 14th Oct,2023. This event marked a significant milestone in our journey to foster strong relationships between parents and teachers and to enhance the educational experience for our students. The atmosphere was filled with enthusiasm and positivity, as parents and teachers came together to discuss the progress and well-being of our students. It was a heartwarming sight to see so many parents actively engaged in their ward's education. Thank you to all the parents, teachers, and staff who made this event possible. We look forward to many more productive discussions and collaboration in the future. It is truly heartening to know that our efforts to strengthen the parent-teacher partnership have been so well-received.

"SOFT SKILLS" LECTURE SERIES

It is with great pleasure and a sense of accomplishment that we announce the successful completion of our "Soft Skills" Lecture Series at DYPTC for MCA-I students. Throughout this lecture series, students delved into various aspects of soft skills, including communication, teamwork, time management, adaptability, and emotional intelligence. The participation, enthusiasm, and commitment demonstrated by all the students have been truly remarkable.

(7/10/2023) & (14/10/2023)

Dr.D.Y.PATIL (DADA's) BIRTHDAY CELEBRATION

We at DYPTC celebrated the 88th birthday of Hon'ble Padmashree Dr. D Y Patil(Dada) Saheb on 22nd of Oct 2023. Our faculty and students visited an orphanage and donated food items to the needy. We also had a spiritual talk on life lessons to learn from Sahaj Yoga. All students, faculty, and staff were involved in the birthday celebration. It was a heartwarming and meaningful day to celebrate the birthday of such a respected and philanthropic individual. We are grateful for the opportunity to give back to the community and learn from Dada's wisdom. On behalf of the entire DYPTC team, we would like to express our sincere gratitude to our Directors Dr. Sushant Patil , Adv. Anuja Patil and Principal Dr. S. D. Shirbahadurkar for supporting us in celebrating Founder's Day.

(22/10/2023)

DANDIYA NIGHT

On the vibrant evening of October 23, 2023, a spectacular Dandiya Night was held at DYPTC Varale campus, bringing together enthusiastic participants for a lively and memorable celebration. The event featured pulsating music, colourful traditional attire, and the rhythmic dance moves of Dandiya and Garba. Attendees were treated to an exhilarating night of cultural festivities, fostering an atmosphere of unity and enjoyment. The event acknowledged and thanked its sponsors, volunteers, and talented performers who contributed to its success. The evening ended on a high note with the special guest Actress Neha Mahajan, with everyone enjoying delicious snacks and refreshments, forming new friendships, and creating unforgettable memories. It was a night filled with joy, culture, and the spirit of togetherness that will be cherished by all who attended.

(23 /10/2023)

SECOND PARENT-TEACHERS MEET

Our second 'Parent-Teacher Meeting' was conducted in online mode. The event saw an impressive turnout, with over 100 parents of First-Year students in attendance. The purpose of the meeting was to provide parents with insights into the academic progress of their wards and to foster open communication between parents and teachers. We are delighted to inform you that the parents expressed great satisfaction with the event and were particularly pleased with the positive development of their children. During the meeting, we took the opportunity to inform all parents about the upcoming end-semester examination.

(02 /12/2023)

शांतता, पुणेकर वाचत आहेत

Pune Book Festival and Pune Corporation has organized the program "शांतता, पुणेकर वाचत आहेत" This joint initiative witnessed enthusiastic participation from over two hundred teachers and students from DYPTC, Varale-Talegaon, Pune making it a truly impactful event. This activity was coordinated by Mr. Rajesh Pandey, Co-ordinator, Pune Book Festival.

(14/12/2023)

QUIZ ON PYTHON FOR ABSOLUTE BEGINNERS

We hereby share the news of successful organization of the "Python for Absolute Beginners" quiz on 16.12.2023 for our First-Year Engineering students. A total of 108 students have not only actively participated in the quiz but have also successfully completed it, earning themselves a certificate in Python proficiency. These students have also completed aforementioned online course by Udemy. We would like to express our sincere gratitude to our Hon'ble directors, Dr. Sushant Patil sir and Adv. Anuja Patil Madam, for their unwavering support and encouragement throughout the process. Additionally, we extend our thanks to our Principal and Registrar for their guidance that has played a pivotal role in the success of this initiative.

(16/12/2023)

CELEBRATION OF NATIONAL MATHEMATICS DAY

National Mathematics Day was celebrated on, December 22, 2023 at DYPTC, Varale-Talegaon, Pune. The event was filled with enthusiasm and a spirit of mathematical curiosity. Students and faculty members actively participated ,highlighting the significance of mathematics in our daily lives. The celebration not only promoted the importance of mathematics but also fostered a sense of appreciation and excitement for the subject.

(22/12/2023)

TRAINING ON ADVANCED EXCEL

We are pleased to announce the successful completion of the "Training on Advanced Excel" at DYPTC on 23.12.2023. The session was conducted by Mr. Sameer Pandit, a professional from the IT industry. This training proved to be immensely beneficial for all participants, including the staff from the admin office, marketing, and teaching faculty. We are delighted to share that over 40 faculty and staff members actively participated in the training, gaining valuable insights and enhancing their skills in Advanced Excel. This accomplishment would not have been possible without the unwavering support of our directors, Hon'ble Dr. Sushant Patil and Adv. Anuja Patil. Their commitment to professional development has greatly contributed to the success of this initiative. We extend our gratitude to our Principal and Registrar for their continuous encouragement and support throughout the training program.

(23/12/2023)

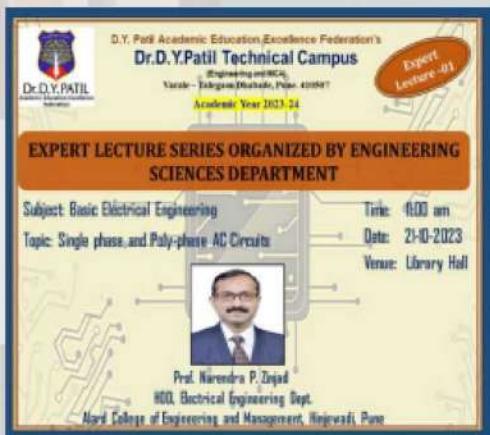

EXPERT LECTURE SERIES

LECTURE NO 01 :BASIC ELECTRICAL ENGINEERING

Lecture on Single and Poly Phase AC circuits by Prof.Narendra Zinjad from ACE&M,Pune was conducted on 21.10.2023. The complex concepts were made easy to understand through the use of vivid examples and engaging demonstrations. Prof. Zinjad infused his presentation with anecdotes and insights from his own experience, bringing the subject matter to life. As the lecture drew to a close, the students were left with a deeper understanding of Single Phase and Polyphase AC Circuits. They were also inspired by Sir's passion for teaching and his commitment to excellence. The inaugural lecture was a resounding success.

(21/10/2023)

LECTURE NO 02 : ENGINEERING CHEMISTRY

We are delighted to share the success of expert lecture on Spectroscopic Techniques for our First-Year Engg students. Dr. Sagar Balgude, a guest speaker, shared valuable insights that were well received by all 120 attending students. The lecture effectively met its objectives leaving the students thoroughly pleased with the session. We extend our gratitude to our Directors Hon'ble Dr. Sushant Patil,Adv.Anuja Patil, Principal, and Registrar, for their unwavering support in organizing this enlightening event.

(25/11/2023)

LECTURE NO 03 :SYSTEMS OF MECHANICAL ENGINEERING

Expert lecture on "Introduction to Manufacturing" by Dr. Aniket Kolekar from DYPIEM, Akurdi was conducted on 28.11.2023. Dr. Kolekar's lecture provided valuable insights into the intricate world of manufacturing processes, offering our students a comprehensive understanding of the fundamentals. His expertise and engaging delivery undoubtedly left a lasting impression on all attendees. We look forward to organizing more such insightful sessions in the future, aiming to provide our students with opportunities for intellectual growth and exposure to industry-relevant knowledge.

(28/11/2023)

LECTURE NO 04 : ENGINEERING PHYSICS

An Expert lecture on "Non-Destructive Testing" for our First-Year Engineering (FE) students was conducted on 01.12.2023. The expert speaker was Dr.Sandeep Varpe from I2IT,Pune. The lecture was, meticulously planned and executed by our team and proved to be an enlightening experience for the 120 students who attended. The lecture showcased the latest advancements and practical applications of Non-Destructive Testing (NDT), providing our students with valuable insights into this crucial field. The enthusiastic participation of our FE students was evident, and their positive feedback reflects the success of this event.

(01/12/2023)

LECTURE NO 05 :ENGINEERING MECHANICS

Expert lecture on "Work Energy Principles for Engineering Mechanics" by the Prof. Sachin Ingle from Pimpri Chinchwad University, Maval was conducted on 02.12.2023. The lecture was conducted as part of our ongoing lecture series, and we are delighted to share the positive impact they had on our students.

(02/12/2023)

LECTURE NO 06 :PROGRAMMING AND PROBLEM SOLVING

A lecture, on "Object-Oriented Programming," was conducted by our very own faculty member, Prof. Manish Raut from the MCA department. Prof. Raut's in-depth knowledge and engaging teaching style captivated the audience, making the complex concepts of programming more accessible to our students.
